

Deck Configuration and Jurisdiction for S&T Judges and CJ's during the CJ Role Playing:

Pool is SCYs, 10 lanes with lane 10 used as a continuous warm-up/down lane during competition. Pool has 2 diving boards along the lane 1 side; walking stroke is not possible.

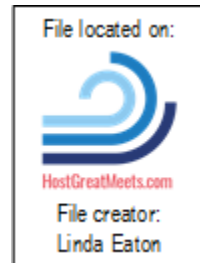

Deck Referee and Starter are located at the start end of the pool by Lane 1.

Start end: CJ #1 near the Starting area (lane 1 side) watching official for lanes 1-5; S&T Judge #1 has responsibility for start end lanes 1-5; S&T Judge #2 has responsibility for start end lanes 6-9 + lane 10; CJ #2 on the lane 10 side of the pool watching official for lanes 6-10;

Turn end: CJ #3 on the lane 10 side of the pool watching official for lanes 6-9 + lane 10; S&T Judge #3 has responsibility for turn end lanes 6-9 + lane 10; S&T Judge #4 has responsibility for turn end lanes 1-5; CJ #4 on the lane 1 side of the pool watching official for lanes 1-5;

Each S&T Judge has jurisdiction for ½ the length of the pool for their assigned lanes.

Chief Judge Question #1

Report on Radio:

- Possible disqualification, Start end, lanes 6-9 (Event #3, Heat 4 is in the water when the hand goes up)

Questions to Ask Stroke & Turn Judge

- What lane?
- What is the call?
- When did it happen?
- What did you see?

Once you have a clear picture of what was seen and what the call is, report it to the Deck Referee on your radio.

- Event, heat, lane, infraction, and your recommendation
 - “Recommend Acceptance” or “Needs Further Discussion”

Stroke & Turn Judge Response: Question 1: Event #3, Heat 4

What lane?: Lane 6

What is the call?: Shoulders past vertical toward the breast prior to the finish touch

When did it happen: On the finish of the backstroke leg of the IM

What did you see: The swimmer's upper left shoulder rolled forward toward the breast, well past the lower right shoulder, as the right arm was reaching for the wall; then I looked at the wall and saw the hand was still about 3 inches away from touching on the finish.

Chief Judge Question #2

Report on Radio:

- Possible disqualification, Start end, lanes 1-5 (Event #4, Heat 1 is in the water when the hand goes up)

Questions to Ask Stroke & Turn Judge

- What lane?
- What is the call?
- When did it happen?
- What did you see?

Once you have a clear picture of what was seen and what the call is, report it to the Deck Referee on your radio.

- Event, heat, lane, infraction, and your recommendation
 - “Recommend Acceptance” or “Needs Further Discussion”

Stroke & Turn Judge Response: Question 2: Event #4, Heat 1

What lane: Lane 3

What is the call: Stroke out of sequence; two butterfly kicks after the initiation of the pullout and prior to the breaststroke kick.

When did it happen: On the Start of the breaststroke portion of the IM

What did you see: During the pullout, one butterfly kick all the way down followed by a second butterfly kick at the completion of the pullout prior to the breaststroke kick.

Stroke & Turn Judge Response: Question 3: Event #4, Heat 2

What lane: Lane 7

What is the call: More than 1/4th of the race is in the style of the backstroke.

When did it happen: Turn 1 of the Freestyle leg of the 400 IM

What did you see: When the swimmer's feet left the wall, I looked up the body to see the swimmer in a streamline position toward the back while doing alternating kicking with the feet. I could see all of the swimmer's chest and none of his back. The swimmer did not turn past vertical toward his breast until he was about 5 meters out from the wall.

Stroke & Turn Judge Response: Question 8: Event #23, Heat 5

What lane: Lane 4

What is the call: Scissors kick on the breaststroke

When did it happen: On the swim

What did you see: The right foot was moving in an up and down motion during the kick with that foot pointed down; the left foot was moving in a normal breaststroke kick motion with the foot pointed out; then the feet were brought together at the end of the kick.
